2026 HOSPITALITY RESEARCH • ACCOR & SITEMINDER

In 2026, Vibe & Experiences Drive Hotel Bookings.

New 2026 consumer research from **ALL Accor × Globetrender** ("When Moods Drive Bookings") and **SiteMinder** shows how guests choose where to stay:

1 in 4 (25%)

ACCOR 2026 REPORT

Want to Search by "Mood & Vibe" First

25% of travellers want their online search to begin with **mood and vibe** rather than geography alone.

85%

ACCOR 2026 REPORT

Seek Shared Social Spaces & Atmosphere

85% of travellers prioritize social connection & vibrant communal spaces (rooftops, bars, dining, wellness).

58%

SITEMINDER 2026 (+4PP)

Upgrade Rooms for an Elevated Experience

58% of guests now book Superior or Luxury rooms over standard rooms for a more elevated property experience.

2026 DISCOVERY SHIFT • SITEMINDER REPORT

Where Do Guests Look First for Vibe & Experiences?

Before a guest ever reaches your website, your **OTA listing** is now their #1 discovery window.

26% vs 21%

#1 STARTING POINT IN 2026

OTAs Overtook Search Engines for Hotel Discovery

26% of travellers now start their 2026 hotel search on an OTA (up from 18%), while search engines dropped from **36% down to 21%**.

18%

UP +3.3PP FOR 2026

Shortlist on the OTA → Switch to Book Direct

Nearly **1 in 5 guests** who discover a hotel on an OTA use its gallery to shortlist—then switch to **book direct on the hotel's website**.

AtmosVibe

ATMOSVIBE 2026 LONDON 10 LIFESTYLE BENCHMARK

Hotels Show Their Vibe & Experiences on Their Site—But Hide Them on OTAs

We audited 135,000+ guest reviews, hotel websites, Instagram, and live Booking.com hero galleries across London's top 10 lifestyle hotels.

92.5 / 100

135,000+ GUEST REVIEWS

Real-World Vibe & Experiences

Guests overwhelmingly rave about the **rooftop bars, destination dining, and social atmosphere**.

88.4 / 100

OWNED CHANNELS

Hotel Website & Instagram

On their own sites, hotels lead with their **signature experiences, rooftops, and design energy**.

56.5 / 100

70% UTILITY SHOTS (35 OF 50)

Booking.com Top-5 Hero Gallery

A **-36pt drop**: **70% of Top-5 OTA hero slots** show generic beds, couches, or bathrooms instead of vibe & experiences.

LIVE BOOKING.COM TOP-5 HERO GALLERY PROOF

Guests Search for Vibe & Experiences. Here's What Booking.com Shows:

The Hoxton, Southwark (94 Real Vibe)

Shows **3 wall-mounted soap bottles** instead of Seabird rooftop restaurant.

The Hoxton, Southwark (94 Real Vibe)

Shows **gym exercise bikes** in the Top-5 hero window instead of rooftop views.

The Hoxton, Shoreditch (92 Real Vibe)

Shows a **tight bathroom sink crop** instead of Llama Inn rooftop or lobby buzz.

Sea Containers London (92 Real Vibe)

4 of 5 hero photos are empty couches—hiding 12th Knot rooftop & Thames views.
