AtmosVibe

LONDON 10 LIFESTYLE HOTEL AUDIT

Hotels Lead With Their Vibe on Their Own Sites—But Not on Booking.com

How London's 10 most iconic lifestyle hotels showcase their **vibe & experiences** above the fold on their own sites vs. Booking.com:

92.5 / 100 avg

1. REAL-WORLD REALITY

Real-World Property Vibe & Experiences

In real life, these 10 properties are extraordinary—combining **iconic architecture, buzzing rooftop bars, and destination dining rooms**.

88.4 / 100 avg

2. OWN HOMEPAGE & IG

Own Website Homepage & Instagram

On their own homepage & Instagram, hotels lead above the fold with their **rooftops, restaurants, and atmosphere**—keeping utility shots in room sub-pages.

56.5 / 100 avg

3. BOOKING.COM TOP-5 GRID

Booking.com Top-5 Hero Grid

On Booking.com, the first 5 photos **are** your homepage—yet **70% of those hero slots (35 of 50)** are hijacked by repetitive beds, couches, sinks & soap dispensers.
